F 5:30 p.m.-10:00 p.m.
Sat 8:00 a.m.-5:00 p.m.

Saturday Course Information

1. The closing dates for registration and withdrawal are found in the Academic Calendar. There is no late charge for adding a Saturday course.
2. If you take any session of the six week courses and intend to secure student loans, you must apply by the first day of the course.
3. If you are a part-time student and you withdraw from the fall six-week course, you are eligible for refunds under the following schedule:
   a. Complete refund if the withdrawal takes place before the start of the course.
   b. 50% refund if the withdrawal takes place after the 1st class meeting.

4. Students may withdraw from a six-week course with a grade of "W" up to and including the 4th class meeting.

Weekend Intensive Information

1. The closing date for registration in a weekend intensive course is one week prior to the beginning of the course. Exceptions to this policy are at the discretion of the academic department. There is no late charge for adding a weekend course.
2. If you are a part-time student and you withdraw from a weekend intensive course before the beginning of the course, you will receive a full tuition refund.
3. If you withdraw after the first weekend (for weekend courses of two or three credit hours) but before the second weekend of the course, you will receive a 50% course tuition refund.
4. Complete policy information regarding withdrawals is available in the University catalog.

2. Students may be tested on that material during the first class meeting.
3. Courses may require the completion of assignments after the last weekend meeting.
4. Students should access a copy of the reading assignment in the library or on-line at www.Avila.edu/HBL/ on the library web site. Select "Electronic Reserve."

Undergraduate Admission and Enrollment

New and Former Avila Students
Undergraduate students who are new to Avila or former Avila students who have not been enrolled for the last two consecutive terms must apply for admission/readmission through the Office of Admission. Contact the Office of Admission directly at (816) 501-2400 or 800-GO-AVILA to request an application for admission and financial aid or additional information. Visit www.Avila.edu for an on-line application for admission and financial aid. We encourage you to complete your application for admissions and financial aid as early as possible to maximize your opportunities for receiving financial aid awards. To apply for financial aid, you must complete a FAFSA (Free Application for Federal Student Aid) financial aid form for the academic year when you plan to enroll. When you apply, be sure to indicate Avila's FAFSA code #002449 as the institutional code for Avila in Section H of the FAFSA. Once students are admitted or re-admitted, they follow the same registration process as continuing students.

1. For details about the deferred payment plan, contact the Business Office in Blasco Hall at (816) 501-3700.
2. To be eligible, all tuition, fees, etc. from previous semesters must be paid in full.
3. The student is responsible for the total charges even if some portion of the payment is deferred.
4. A $35.00 fee will be assessed for participation in the deferred payment plan.
5. Deferred Payment Plan agreements are mailed with tuition statements.
6. A late payment penalty of $15.00 will be charged for each payment not paid on or before due date.
7. If you register prior to Dec. 19, 2005, make sure at least 25 percent of your tuition and fees is received in the Avila Business Office in Blasco Hall no later than Jan. 13, 2006.
8. If you register Dec. 19, 2005 or later you will be required to pay at least 25 percent of your tuition and fees at the time of registration. Financial Aid papers, if applicable, must be signed in the Business Office during the first week of classes. The balance is payable according to the terms of the monthly payment plan.
9. Failure to remit payment due to Avila will result in cancellation of your registration. This will in no way relieve you of your financial obligation. You may be reinstated by bringing your account current, paying a reinstatement fee, and completing the proper form available in the Registration and Student Records Office. However, enrollment in your original classes can not be guaranteed.

Tuition Adjustments

If adding, dropping or withdrawing, the student must complete a Change of Program Form available in the Registration and Student Records Office and process and return the form to the Registration and Student Records Office for the transaction to be complete. The date the form is received in the Registration and Student Records Office is the date of transaction. The time periods for the adjustments commence with the first day of classes according to the academic calendar and not the beginning date of any individual course. Lab fees are not refundable.

Cancellation of Registration

Prior to the start of classes and the first seven calendar days of the semester, a cancellation of registration will result in the cancellation of all tuition and fees. A fee ($100 for full-time; $25 for part-time) will be charged. Cancellation of registration is a complete withdrawal from Avila and no academic records will be kept. To cancel registration, complete a Change of Program form available in the Registration and Student Records Office. The form must be processed and received in the Registration and Student Records Office during the first seven days of classes.

Refund Policy for Undergraduate Students

Complete Withdrawal from School
Students who withdraw completely from all classes prior to the completion of 60% of the academic term are required to return to the federal government the unearned portion of any federal financial aid the student has received. If the student withdraws after completion of 60% of the academic term, the student is not required to return the unused portion of federal funds.

The federal Return of Title IV Funds dictates the amount of Federal Title IV aid that must be returned to the federal government. These federal funds include, for example, Pell Grant, SEOG, Federal loans (unsubsidized or subsidized, Stafford, Perkins or PLUS). The percentage of Title IV aid to be returned is equal to the number of days remaining in the term divided by the number of calendar days remaining in the term. If funds were released to a student because of a credit balance on the student's account, then the student may be required to repay some of the federal grants or loans released to the student.

Change in number of part-time credits
Tuition adjustments for part-time students changing the number of credits they are taking will have an adjustment made using the following plan:
1 through 7 calendar days.....100%
(withdrawal fee applies)
8 through 14 calendar days.....75%
15 through 21 calendar days.....50%
22 through 28 calendar days.....25%
After the 28th day, there will be no reduction of the original charges and they are due and payable.

Change in Status from Full to Part-time
Prior to the start of classes and the first seven calendar days of the semester, tuition will be reassessed at the part-time rate. After seven calendar days, there will be no tuition reduction, and the original charges will be due and payable. The Change of Program Form must be processed and returned to the Registration and Student Records Office during this seven-day period.

Financial Aid Adjustment
If any tuition reduction results in an overpayment, the appropriate refund will be made following the Avila refund policies. Where federal financial aid or federally guaranteed monies are involved, the federal regulations relating to the return of Title IV funds will be used. If any tuition reduction results in the student still owing Avila, it will be due and payable.

Credit Balance Returns
Credit balances are available from the Business Office on the following schedule:

1. Students not receiving federal assistance may request a refund at any time after the second day of classes.
2. Students receiving any federal assistance (Pell, SEOG, Subsidized and/or Unsubsidized Stafford Loans) will automatically receive a credit balance return on the schedule outlined below UNLESS the student has submitted a written request for Avila to maintain a credit balance on his/her account. Credit balances resulting from these federal monies must be issued to the student by the 14th day following the beginning of class or the receipt of funds by Avila (whichever occurs last). Federal Perkins Loan papers must be signed in order to be included in any credit balance returns. Refunds for Perkins Loan proceeds will be available on the 14th day following the beginning of class or the completion of the Promissory Note by the student (whichever occurs lat). In Instances where credit balances are created by funds paid from outside sources (such as business, government and banks), the money must first be received by Avila in order to issue a disbursement check to the student. An authorization to bill an outside source does not create a credit balance.

Federal Stafford Loan, Federal Unsubsidized Stafford Loan and/or Perkins Loan recipients:

a. Remember: Loans of any type must be repaid whether or not you graduate or are satisfied with the education you received.
b. For first-year, first-time undergraduate borrowers, loan proceeds will not be disbursed until 30 days have expired from the first day of classes. At that time, after class attendance and academic progress have been verified, loan checks may be endorsed by the student or wire transfers received by Avila. Any refunds resulting from this occurrence will be issued on the 14th day after funds are received by Avila.
c. For all other borrowers: Avila regulations will not permit credit balances generated by these loans to be returned until classes have begun and attendance has been verified. When the loan check is endorsed or a wire transfer received after the beginning of classes, the refund of a credit balance will be available on the 14th day following the receipt of the loan proceeds.

Residence Hall Refund
See the Avila catalog for a description of the Residence Hall Refund Policy.

Appeal Policy
Students who feel their individual circumstances warrant an exception from the above-stated refund policy may appeal in writing. The appeal should include a statement of the exception being requested, an explanation as to why an exception should granted, and appropriate materials to support the request for the exception. The appeal and supporting materials should be sent to the Academic Affairs Office, Avila University, 11901 Wornall Road, Kansas City, MO 64145.

Crediting Financial Aid Awards to Student Accounts

1. Financial Aid, including loans, must be fully processed and loan proceeds, or disbursing dates thereof, must be on record in the Business Office at registration time to be considered as reducing the balance due. If this is not the case, you will be responsible on the due date for the payment that is due.
2. Where loans are involved, the proceeds must be applied to any balance due. Students may call the Business Office at (816) 501-3700 to verify if their proceeds have arrived. However, a billing statement will be sent within 30 days of the loan proceeds receipt date. Credit balances on accounts will be returned as noted earlier under Credit Balance Return.
3. Registration charges are audited by Business Office personnel. Students are responsible for any balance owed due to an assessment error.
4. Federal Perkins Loan recipients must go to the Business Office and sign their promissory note before the loan will appear on their statement.

Methods of Registration

Being advised does not mean you are registered in any courses. Make sure all tuition, fees or other charges from previous semesters have been paid in full.

Students enroll for classes based on their student classification. Students are classified by the number of credit hours completed counting toward graduation prior to the first day of the term in session when enrollment occurs:

Seniors .....96 or more hours
Juniors .....64-95 hours
Sophomores .....32-63 hours
First Year .....0-31 hours

During the first four days of registration, current and readmitted students may register as follows:

First Day: Seniors, Grad Students, Paralegal
Second Day: Juniors and above
Third Day: Sophomores and above
Fourth Day: First Year and above

A student may verify their classification on-line (current students only) or by visiting the Registration Office. Students who have recently completed courses at another institution should visit the Registration Office to verify receipt of transcripts and their classification prior to the first day of registration. Transcripts may take several months to be received and entered into the registration system which may affect your student classification at enrollment time.

Once you have met with your advisor you will be eligible to enroll if you have no holds (financial, library, athletic) on your account.

You must enroll for courses by using one of the following options:

In-Person Registration
Any student may bring their advising form to the Registration Office in Blasco Hall to enroll in courses. See the Academic Calendar for appropriate dates and times.

Telephone Registration
If you are a new or readmitted student unable to come to the Registration Office, you may enroll in courses via telephone. Your advising form must be on file at the Registration Office prior to enrollment. Have your student ID number or social security number and the department, course title and section number of courses in which you want to enroll in front of you before you call to register. Call (816) 501-2410 during the designated telephone registration dates and hours in the Academic Calendar.

Late Registration
(see Academic Calendar for dates)

Late registration must be completed in person. There is a $25 fee for registering late with the exception of weekend intensive and Saturday only courses.

Registration for Non-Degree Seeking Students

Avila offers a special enrollment process for all students not seeking an Avila degree. No transcript or formal application is necessary. You may register at the Registration Office for most courses. To register for a course numbered 310 or above, students must meet with a faculty advisor. High school juniors and seniors, home schooled students, visiting students from other institutions as well as individuals simply wishing to enrich their educational background are encouraged to take advantage of this convenient opportunity. Students who enroll through this program are limited to a total of nine credit hours at Avila before they must request formal admission.

We recommend that visiting students request written permission from their own institution in advance of their registration at Avila in order to be sure that the Avila course work will transfer. The following non-degree seeking students do not have to apply for admission through the Admissions Office. They may register directly at the Registration Office during registration hours:

a. Accepted Non-Degree
b. Area Exchange
c. Non-Credit
d. Dual-Enrollee (high school student)
e. Enrichment
f. Visiting

Non-Credit Registration

Courses at Avila may be taken for non-credit on a space-available basis. Since no academic credit is awarded, students are not required to meet the admission requirements of the institution. A stipulation of the non-credit option is mandatory class attendance. The level of class participation for non-credit is determined by the individual instructor. A certificate from Avila will be awarded to those who have met the non-credit requirements of the course.

Enrollment for this option begins in the Registration Office during published In-Person Registration days and times. Enrollment in a lower division course for non-credit requires the appropriate prerequisites but does not require departmental approval. Enrollment in an upper-division course (number 310 or above) on the non-credit option must have the approval of the department offering the course. A signature from the departmental faculty representative is required. If a student withdraws from a course taken for non-credit, a refund will be granted according to the time frame for part-time students minus a $10 administrative fee.

Area Exchange Program

If you enroll at Avila, you also have access to the curricular offerings of many other colleges and universities in metropolitan Kansas City. If you are a full-time, undergraduate students (enrolled in 12 or more credit hours at Avila), you may take one course per semester at another area campus at no additional tuition costs after prior certification of status by the Registration and Student Records Office at Avila. This option does not apply to summer session and some on-line course offerings.

Current participating institutions are Avila, Blue River Community College, Central Missouri State University, Kansas City Art Institute, Longview Community College, Maple Woods Community College, Park University, Penn Valley Community College, Rockhurst University and University of Missouri-Kansas City. Participation is subject to change at any time.

Carondelet Colleges Exchange

Information is available in the Registration Office.

Student Responsibility

Each student is responsible for conforming with regulations in the Avila catalog. Therefore, it is important for each student to remain currently informed throughout the period of enrollment. The primary responsibility for meeting graduation requirements rests with the student. Degree requirements are subject to change. It is the student's responsibility to be informed of applicable requirements. Faculty advisors and personnel are available to provide guidance, but do not replace the student's responsibility for their own academic progress.

Course cancellation

Courses listed in this schedule and elsewhere are subject to cancellation for insufficient enrollment. For this reason, students are encouraged to enroll as early as possible and predetermine alternative course choices in the event of course cancellation.

3. If you are a part-time student and you withdraw from the fall six-week course, you are eligible for refunds under the following schedule:
   a. Complete refund if the withdrawal takes place before the start of the course.
   b. 50% refund if the withdrawal takes place after the 1st class meeting.
   c. No refund if the withdrawal takes place after the 2nd class meeting.
4. Students may withdraw from a six-week course with a grade of "W" up to and including the 4th class meeting.

Weekend Intensive Information

1. The closing date for registration in a weekend intensive course is one week prior to the beginning of the course. Exceptions to this policy are at the discretion of the academic department. There is no late charge for adding a weekend course.
2. If you are a part-time student and you withdraw from a weekend intensive course before the beginning of the course, you will receive a full tuition refund.
3. If you withdraw after the first weekend (for weekend courses of two or three credit hours) but before the second weekend of the course, you will receive a 50% course tuition refund.
4. Complete policy information regarding withdrawals is available in the University catalog.
5. The Credit/No Credit grade option is available to students for special session courses. For a one credit course, this grading option must be contracted prior to the beginning of the course. If more than one credit course, this grading option must be contracted prior to the second class meeting.
6. You are required to attend all sessions of a weekend intensive course. If you miss any part of the class, your final course grade may be reduced, possibly even to a failing grade. If you can not attend all sessions, you should not enroll in a weekend intensive course or should withdraw from the course.

Weekend Intensive Course Requirements

1. Weekend Intensive courses require readings prior to the first class meeting.
2. Students may be tested on that material during the first class meeting.
3. Courses may require the completion of assignments after the last weekend meeting.
4. Students should access a copy of the reading assignment in the library or on-line at www.Avila.edu/HBL/ on the library web site. Select "Electronic Reserve."
